The Board of Education, although not directly involved in school activities, has supported the school wholeheartedly. This year, for the first time, two students are serving on the board as advisors.

Dr. Ross Willink is serving his second year as superintendent.

ROBERT LEWIS THOMAS
IN MEMORIAM

He started out more than half a century ago to become a lawyer. Instead though, he graduated from Syracuse University in 1913 with enough education courses to land him a job as principal of Hemlock Union School.

He went on to devote 46 years to education, 32 of them in the Webster Central School District where this high school is now named after him.

He took a great deal of satisfaction in the fact he helped in planning for the orderly development of the school system here.

Mr. Thomas died on January 21, 1971 at the age of 79. The community is grateful to him for his long and tireless work for the Webster district.
